

## Your support

To achieve that we all come into the provided FREEDOM of GOD, we resolve those useless obsolete dependencies as well for us humans, as for our environment. Therefore WE need your help, which can essentially be done in two ways:

## Become a member

Support us with your help and dedication and your membership fee; you can choose freely among:

Fee group 1 48 Euro per year

Fee group 2 72 Euro

Fee group 3 120 Euro

Fee group 4 more than 120 Euro

## Funding

Support us with your financial resources you have available. Even small amounts help. If every German citizen donates only 10 cents, we get € 8.2 million. WE are non-profit and can issue donation receipts.

# We are the FREEDOM Foundation

the introduction of  
an association

[www.wir-sind-die-freiheit-stiftung.de](http://www.wir-sind-die-freiheit-stiftung.de)

## Who are WE?

WE are a group of freedom-loving people, who, on the day of the Ascension of Christ in 2012, gathered to participate in this great time of change. WE do this in a loving personal responsibility with the help of our creative powers.

## What WE want?

The preamble to our set up of the articles declares that:

The association: WE ARE THE FREEDOM foundation works for a free being with independent people. Here, any person may feel himself in the abundance, without shortage, feel happy and be integrated in society, in perfect health and with a holistic health care system for everyone. Here, people live in peace and freedom with all people

and cultures of the world - in harmony with nature - in a loving relationship.

## What are our goals?

In Article 1.1 of the German Constitution is written: the human dignity is inviolable. The true human dignity can only be lived in perfect freedom, without any kind of dependencies. Therefore WE set ourselves in for all what leads to

## FREEDOM

In and around us. Since ever, man yearns for freedom. FREEDOM defined in a few words is the ability to choose without pressure between different options and then make a free decision. It is the highest goal to protect our human dignity and to promote fundamental rights.

WE create visions and promote the following objectives:

- 🕊 Technology of the free energy in Research, production, distribution
- 🕊 Basic income for each citizen
- 🕊 Distribution of surplus food and support decentralized organic food suppliers
- 🕊 Families, the social place for growth, development, security
- 🕊 Creation of housing for all homeless citizens and people
- 🕊 Transformation from shortage-consciousness towards wealth-consciousness (etc.)
- 🕊 In general, all measures which help the Human well-being
